

**TECHNICAL FORM FOR NOISE EMISSION DATA COLLECTION**  
**Collection form for noise emission data provided by manufacturers**

**Personal details**

Contact person _____ (*)	tel.....(*)
Date: _____ (*)	e-mail.....(*) .....

**Data of the machinery**

Type: _____ (*)	Manufacturer: _____ (*)
Model: _____ (*)	Year of placing on the market: _____ (*)
Weight: _____ kg (*)	Type of power supply: _____ (*)
Power: _____ (CV or kW) or feed pressure _____ (bar) (*)	Type of operation mode: <input type="checkbox"/> manual <input type="checkbox"/> semi-autom. <input type="checkbox"/> automatic

**Equipment concerned by specific regulations for emission certification**

Reference technical standard for the certification of the sound pressure emission value: _____ (*)	Manufacturer's declared emission value: _____ (dB(A)) (*) Manufacturer's declared peak value: _____ (dB(A)) (*)
Reference technical standard for the certification of the sound power emission value: _____ (*)	Manufacturer's declared emission value: _____ (dB(A)) (*)
Large machinery Reference standard _____	Values reported in the instruction manual ( $L_{Aeq}/measur. dist.$ )

**Equipment NOT concerned by specific regulations for emission certification**

Type of tool/accessory: _____ (*)	Characteristics: _____ (*)
Operating conditions: _____ (*)	Material being worked: _____ (*)
	$L_{Aeq}$ in the operator position: _____ (dB(A)) (*)
